MR. Canty would also request the Courts to stop! Paraphrasing his motions, complaints, and other moving papers wrong on purpose, the Courts know that this Civil Case is about the Corrupt Seattle Police department as a whole and multiple officers that have been named at least four times already. This Case is also about King County employee's that helped the Seattle Police department and their officers facilitate the Corruption, also since the City of Seattle is the employer of the Police department and it's officers, MR. Canty would advise the Courts to not insult his intelligence any further.
